### EMERGENCIES CAN'T BE PREDICTED. SOUTHERN BERKSHIRE AMBULANCE IS HERE FOR YOU!

Each year, Southern Berkshire Ambulance goes on nearly 3,000 calls, answering the emergency needs of our neighbors and visitors in Berkshire County. We are a private, non-profit entity, staffed 24 hours a day with paramedics and EMTs. Our staff is fully trained and committed to respond to life's unpredictable illnesses and accidents. **Neither town support nor insurance reimbursements cover the total cost of our life-saving work.**

In the past few years, numerous rural and small-town ambulance services have ceased to exist for lack of funding. Nobody wants that to happen in our community. Southern Berkshire Ambulance needs your help today to make sure we're there for you tomorrow and everyday.

Thanks in advance for your generous support.

Sincerely,

Jim Santos, Board President
