

Southern Berkshire Ambulance Fourth Bi-Annual ALS Interfacility Transport Course
November 5th, 6th and 7th, 2025
Great Barrington Fire Department Training Center
37 State Rd, Great Barrington, MA 01230

GOLD SPONSOR

Fairview Hospital
Berkshire Health Systems

The Southern Berkshire Ambulance Squad will host an ALS Interfacility Transfer course. This class aims to familiarize paramedics with managing complex medical and trauma patients during interfacility transport. This course will serve as initial training for interfacility transfers or as a review course. Lunch and refreshments will be provided. The class is open to all paramedics in Berkshire County. Continuing education credits will be available. Don't hesitate to get in touch with A.J. Anderson with any questions.
